

Dear Snowbird Sports Education Foundation Athletes and Parents,

Below is the information for SBSEF Team registration for the 2018-19 season. Please read carefully!

2018-19 SBSEF APPLICATION:

The 2018-19 SBSEF team application is now available online at <https://register.sbsef.com> through your online account. New members will need to create a new account. Login or create a new account to access the Team's program registration by clicking on "LOGIN" on the tool bar. Please do the following when registering:

1. **Renew or purchase your athletes USSA Membership first!!!** You must be a current member of USSA before you can register for the team. See USSA Membership information below for details. Contact Tami with any questions tami@sbsef.com.
2. For returning members, please **check your account information for accuracy**. This includes Birth Year for your athlete! If they have the wrong birth year they will be in the wrong category for racing and awards. For new member, go to "Login" and follow the instructions to create an account and athlete profile. Once you are in your account use the **Register/Programs link to register for a team**. You can register multiple members at once. You can also sort by Discipline.
3. There will be a **\$300 non-refundable deposit required** to register for any team.
4. There is a place on the registration form to indicate what days you will be training. This is required as it helps us schedule coaches for the number of athletes training each day.
5. **ALPINE DEVO TRANSITIONAL TEAM:** The Alpine Devo's have an opportunity to train extra days with the Devo Transitional Team plus participate in 2 South Series Races for an additional \$600.00. You must have permission to add this program. To register, sign up for your normal Devo program then "Add" the Transitional Team to your registration before you check out and pay. Any questions, contact Tami.

*****Please double check that the emails and phone numbers in your account are correct. This is key data for coaches and general team communications.**

USSA MEMBERSHIP (US SKI & SNOWBOARD) :

Every athlete on the team is required to be a US Ski & Snowboard member (www.usssa.org). You must have a current membership (July 1, 2018 – June 30, 2019) to sign up for SBSEF. Please sign up directly with USSA at USSA.org. To contact USSA membership directly, call 435-647-2666.

 **Alpine Racing Athletes**—Register for the **Alpine Competitor** membership that coincides with your age category. **DO NOT** PURCHASE the General Membership if you want to race in IMD and other events. FIS Team, be sure to renew your FIS license before the August deadline to avoid a late fee.

 **Freeride Athletes**—Sign up for the **Freeskiing General Membership** under Freeskiing/Freestyle.

If you have any questions regarding which USSA memberships you need, please contact Tami Strong 801-943-5628.

DEVO TEAM LUNCHES

Lunches for the Alpine and Freeride Devo Teams will be offered again. However, there will be no “Drop In” lunches offered. Lunches will need to be paid in advance for the season. Lunches will be \$13.00 per day and will be available to purchase as online “Add” in your account.

SEASON PASSES 2018-19

We don't have a cost on the Snowbird Season Pass for this season for regular Team members. A season pass is **not** included in your team fees. This is a separate purchase you will make at the Snowbird Resort ticket office **after November 1st**. For an athlete to be eligible to be included on the SBSEF Snowbird season pass list and to start on snow training, all Team Fees must be paid in full.

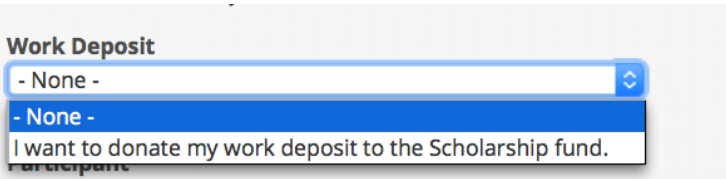

SBSEF TEAM FEES and TEAM UNIFORM COAT:

All Team Fees must be paid in full by November 1st!

SBSEF subsidizes each program at various levels, as well as our scholarship program through fundraising. The team prices are now updated and online when you register. SBSEF will provide a complementary Team Coat for every athlete to use during the season. More details to follow. Coats will be distributed in the late fall.

WORK DEPOSIT:

The WD is a deposit paid to the team which parents can work off during any of our fundraisers (i.e. the Swap), or at the events and competitions **we host**. Parents may choose to forfeit the deposit by not working. The value of the WD is \$100 per day per eight-hour shift. The second participant per family is charged half the WD. Families with over two athletes on the team will not be charged additional WD. You also have the ability to donate your Work Deposit to the SBSEF Scholarship program. There is a place on the electronic application where you can do this. You will receive a tax donation letter for any donation made.

FINANCIAL GRANT APPLICATION:

Each season SBSEF awards financial grants based on financial need and merit. The SBSEF Financial Grant Application is now available online on the website under the **“Parents” Tab/Financial**

assistance. The deadline to apply is September 20, 2018. You must be registered for the SBSEF team and paid the deposit to apply for a Financial Grant.

Welcome TJ Lanning, Head Coach U19+ FIS and USSA Team

We are excited to welcome TJ Lanning to our coaching staff as head of the U19+ FIS and USSA Team. TJ has an extensive background as an athlete representing the United States Ski Team on the World Cup for 10 years, and 3 years coaching the USST World Cup athletes. TJ also coached for SBSEF in 2011-12. Recently TJ worked for Spyder as the Technical Innovation Manager for all their performance apparel, (spending long hours in the wind tunnel).
